SUPER SENIORS OF '83

We are the Super Senior Class of '83. To our sponsor, Mrs. Bryce, and all the senior class officers and representatives, we owe a great deal of appreciation for their excellent leadership. Through our work on committees such as Senior Day, Senior Trip, Senior Gift and others, we have accomplished our main goal: To set forth an image of which we can be proud of, and one in which the students can respect. For all of these reasons, it is obvious that our theme stands true: THERE IS NO BETTER PLACE TO BE, THAN WITH THE CLASS OF '83.

VERSATILE SENIORS

ADMINISTRATORS

The strength of this great high school is shown in the activities and achievements outlined in the pages of this yearbook. Each student is free to participate; all that is required to make is a sacrifice of time and energy. The goal gained by completing a chosen course or of contributing to a worthwhile project is the individual development and the continuance of the outstanding record of Woodrow Wilson High School.

SOCIAL STUDIES

Mrs. Powell shows her spirit.

Besides teaching, Mr. Hickey is also announcer at the football games.

Mrs. Oliver discusses the finer points of the American Constitution.

Mr. Outten is ordering more supplies for the Social Studies Department.

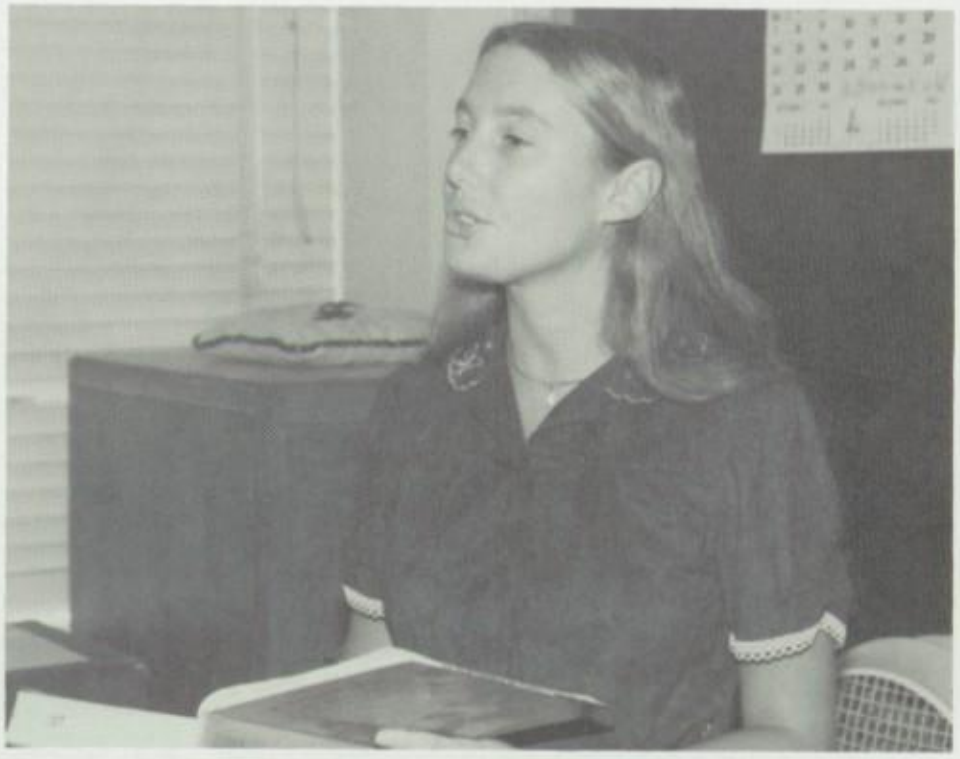
The Social Studies Department helps to give a student a better knowledge of his environment. It also allows the student to become familiar with historical happenings and their effects on the present as well as the future.

ENGLISH

The teachers in the English Department are dedicated to producing students who are competent in the "real life" skills of reading, writing, listening, speaking, and thinking. Skill in these areas is very important in this extremely competitive society.

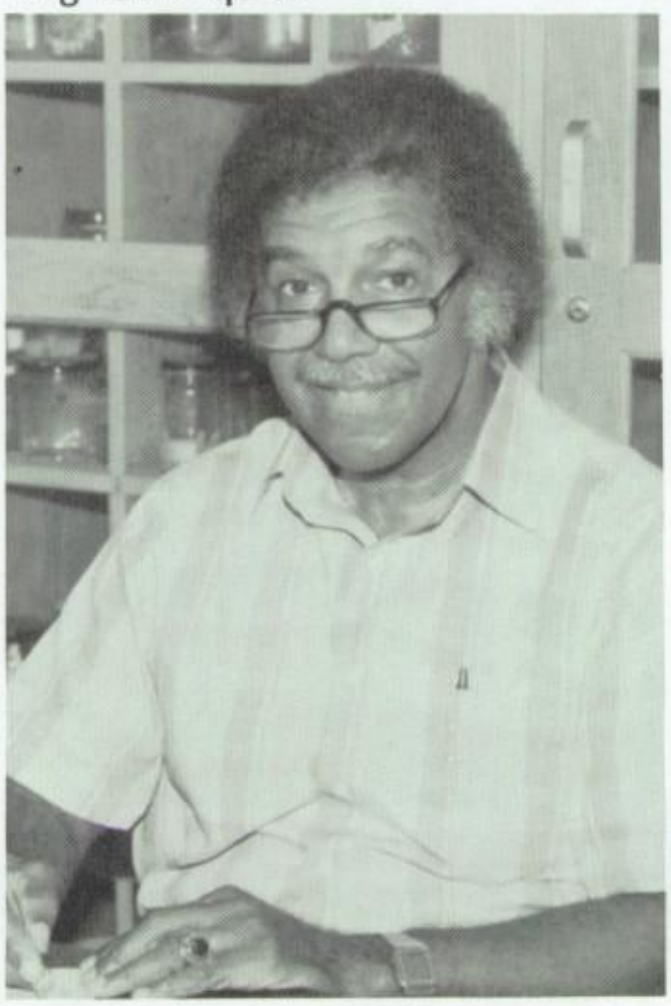
Many students fail to realize the importance of gaining competence in these areas, and it is our task to lead them to this realization, and to achieve established goals in these areas.

Mrs. Mott (left) and Mrs. Hall (Bottom) enjoys the excitement of the Homecoming. Below: Mrs. Spencer explains a story in Literature.



SCIENCE

The Science Department offers five levels of science, beginning with 8th Grade, Earth Science, extending through 11th Grade Chemistry and 12th Grade Physics, which are electives. 8th Grade Earth Science, 9th Grade Physical Science, and 10th Grade Biology are required courses for graduation. The required courses taught on the x, y, and z levels. And innovation to the Physics course and as an extra curricula activity is the use of the microcomputer. Students are taught to write individualized programs using problem-solving techniques.

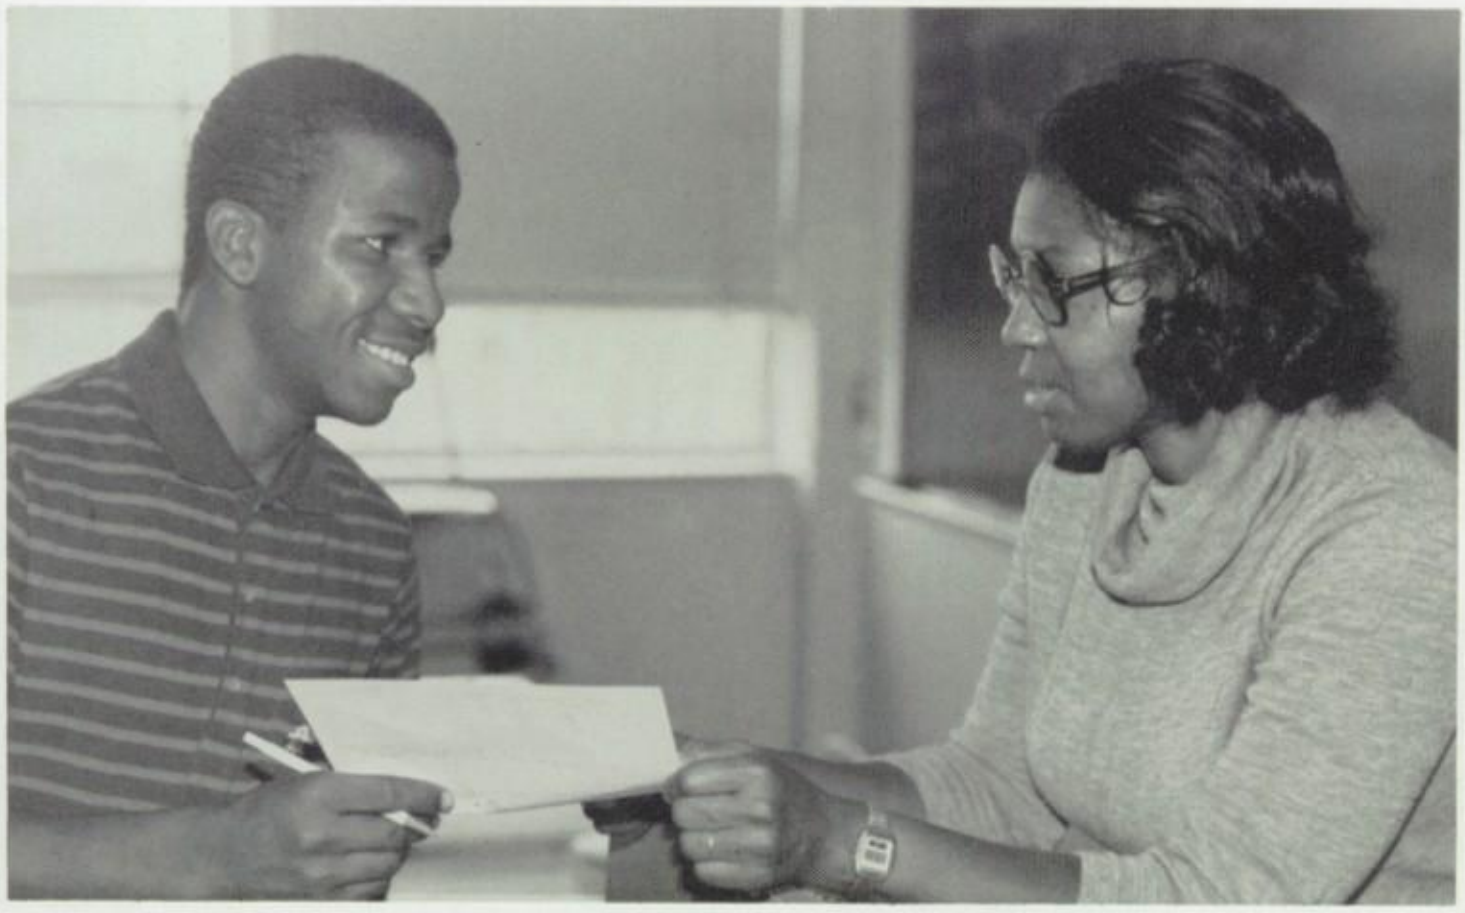


Posing for the camera, Mr. Hayes gives us a smile.

Figuratively speaking, Mrs. Bryce works on the board.

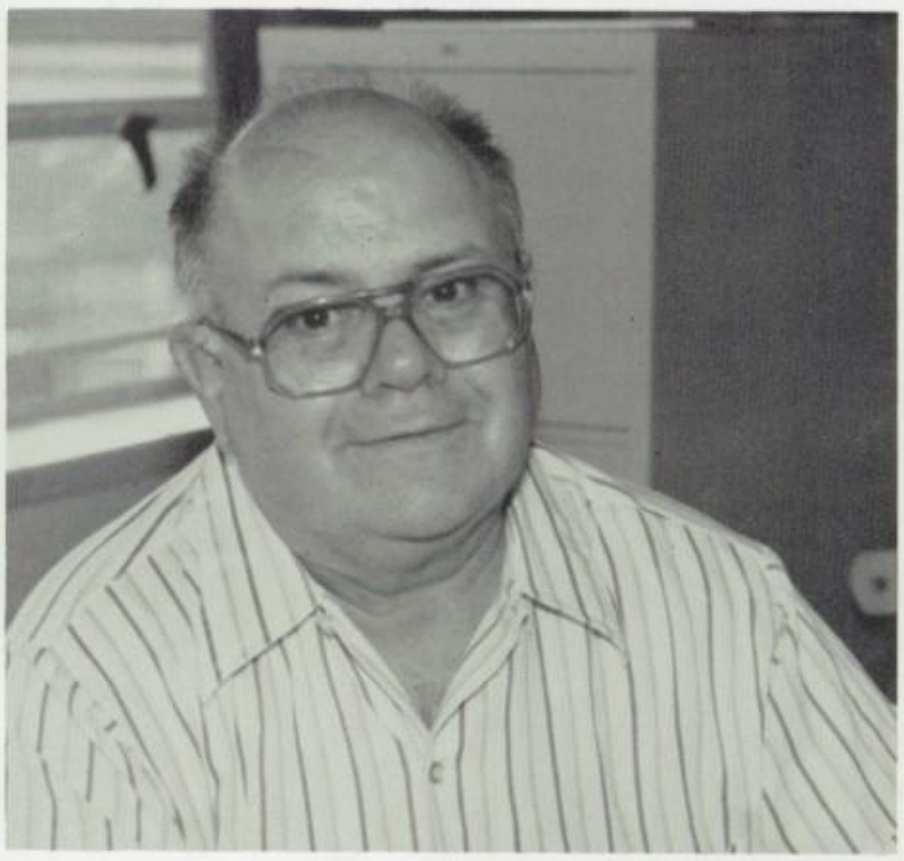
Mrs. Delotch works with Carlethia Vincent and Guy Broughman.

MATH



William Brown hands in his paper to Dr. Stanback

Mr. Jones follows along with a student.



Mr. Wulzer stops a moment to pose.

In keeping with the philosophy of the school, the Mathematics Department is endeavoring to meet the needs of and to challenge every student. We strive to help each student develop those skills and capabilities which will equip him/her to perform and survive in our increasingly technical society. The students are exposed to information and concepts which will equip him/her to cope with the problems of the future.

ART

The Art Department has always played a big part in curriculum at Woodrow Wilson High School. The department represents a long tradition of producing outstanding artists and designers. The art department is very active in producing participants for civic as well as area wide projects and competitions.

Anthony Neatherly decides what to draw.

Mr. and Mrs. Bystrom at the prom.

John Caloway makes sure that practice makes perfect.

MUSIC

The Music Department offers classes in chorus, band, and orchestra, as well as general music for eighth grade students. Teachers in this department have worked hard to create an excellent music program.

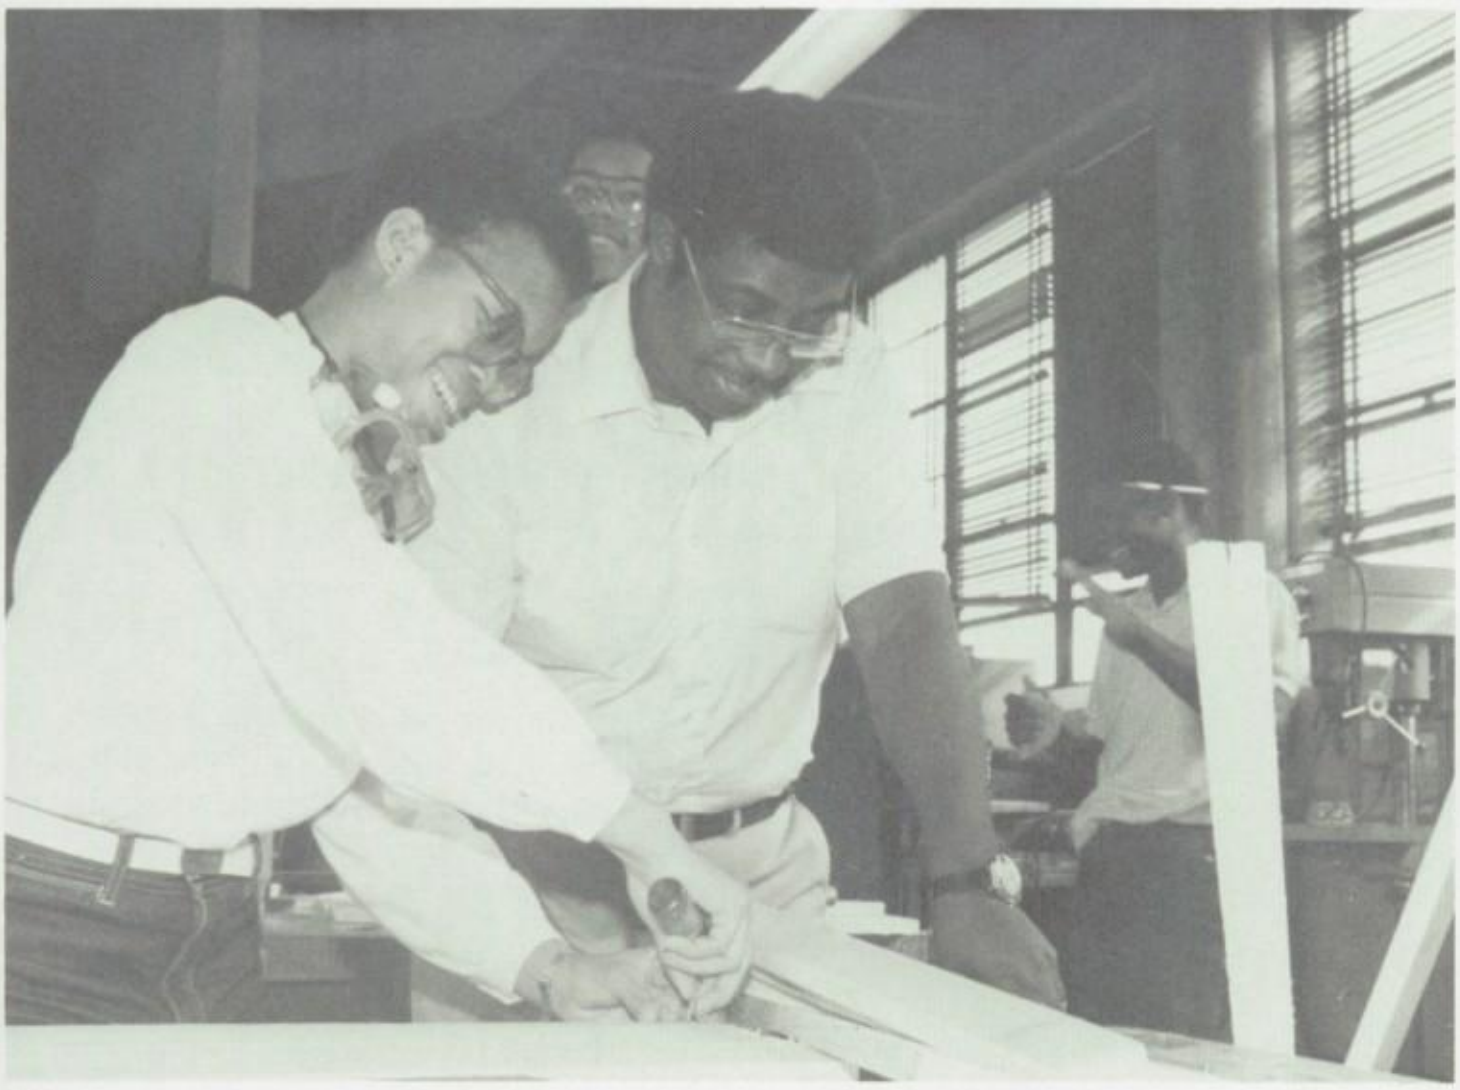
Mr. Bynum and Dr. Burton discuss a march pattern.

INDUSTRIAL ARTS

Mr. Clement checks the roll.

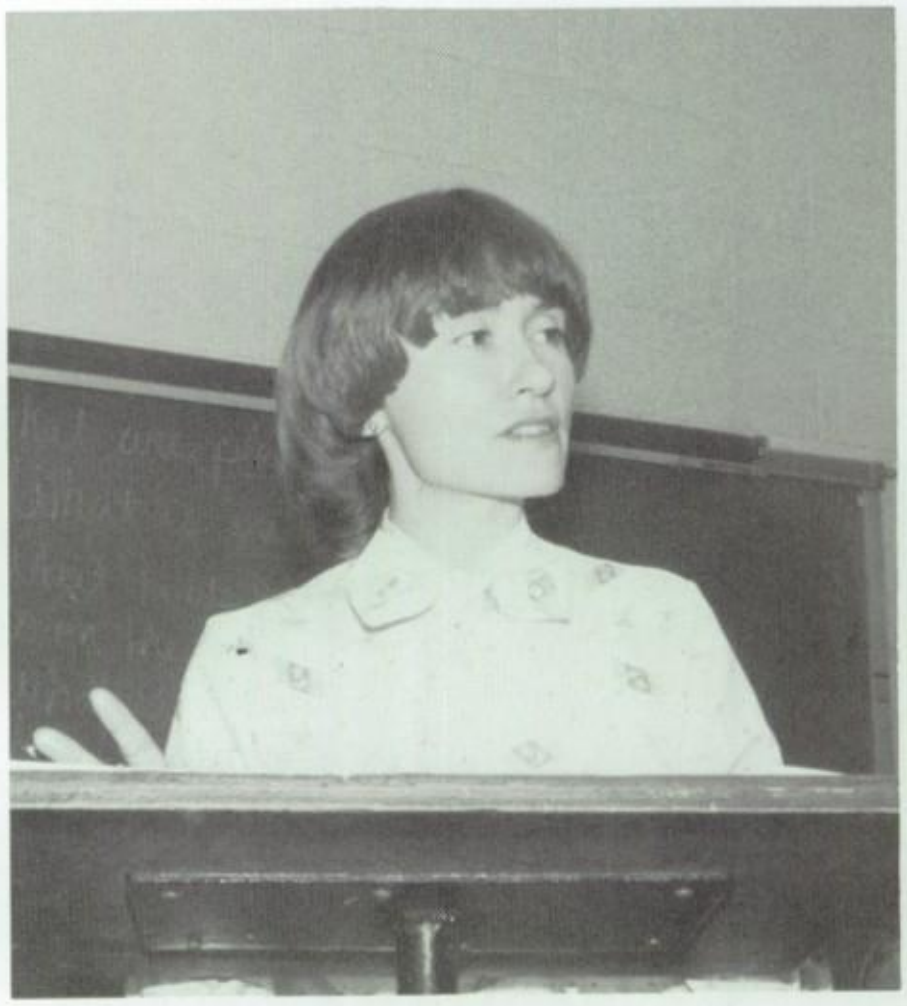
Industrial Arts opens the students awareness to the industrial world. It lets a student know what is expected of him or her such as making deadlines, or work quotas. It prepares a student for jobs such as carpentry, printing, communications, and other areas of preparedness for the future.

Mr. Thompson corrects a layout.

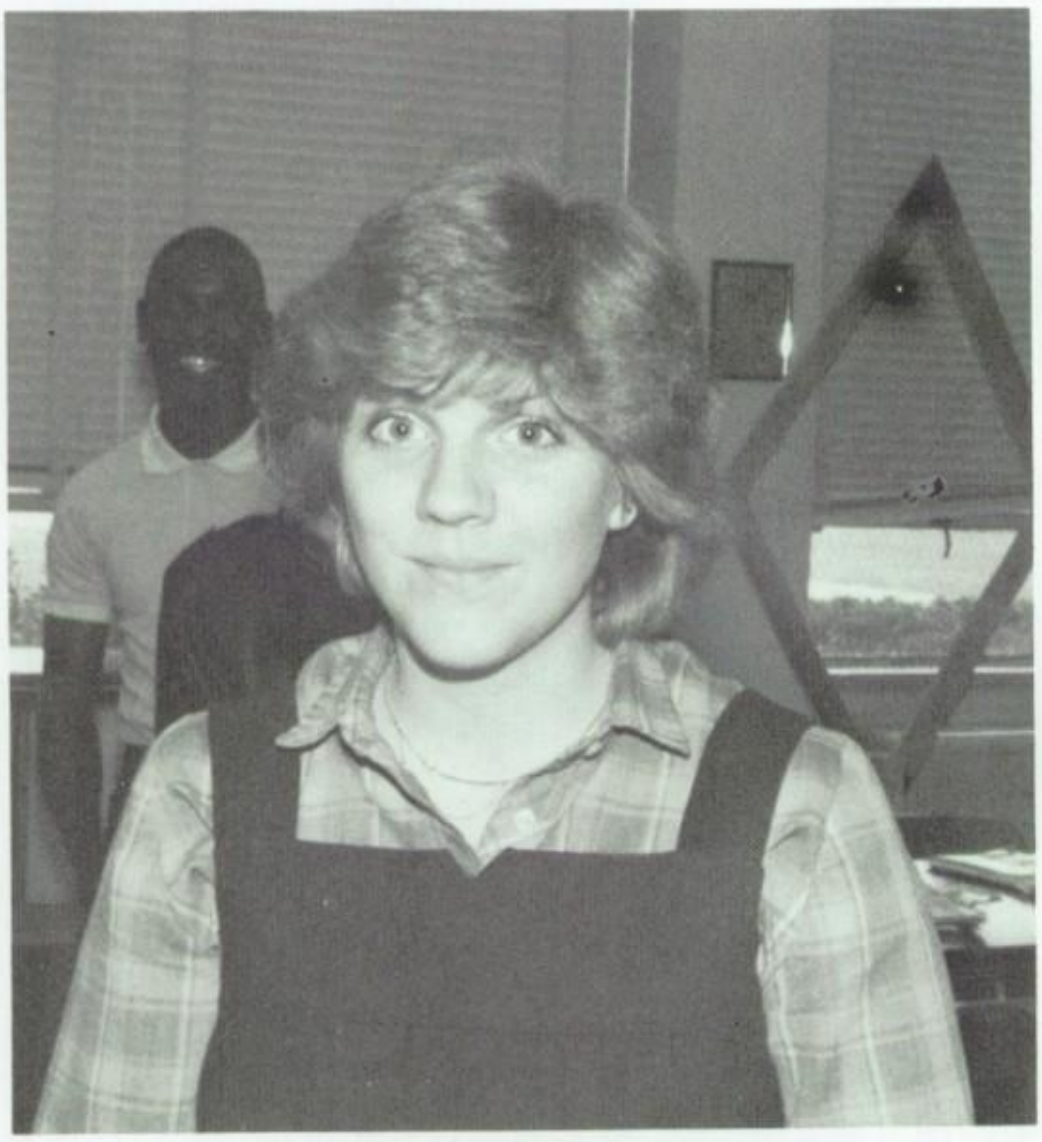


Mr. Hinton stops to help Jackie Kee with her project.

Mrs. Williams begins the day with a smile.



Mrs. Bonwell listens to a student's question.



Mrs. King poses for the photographer.

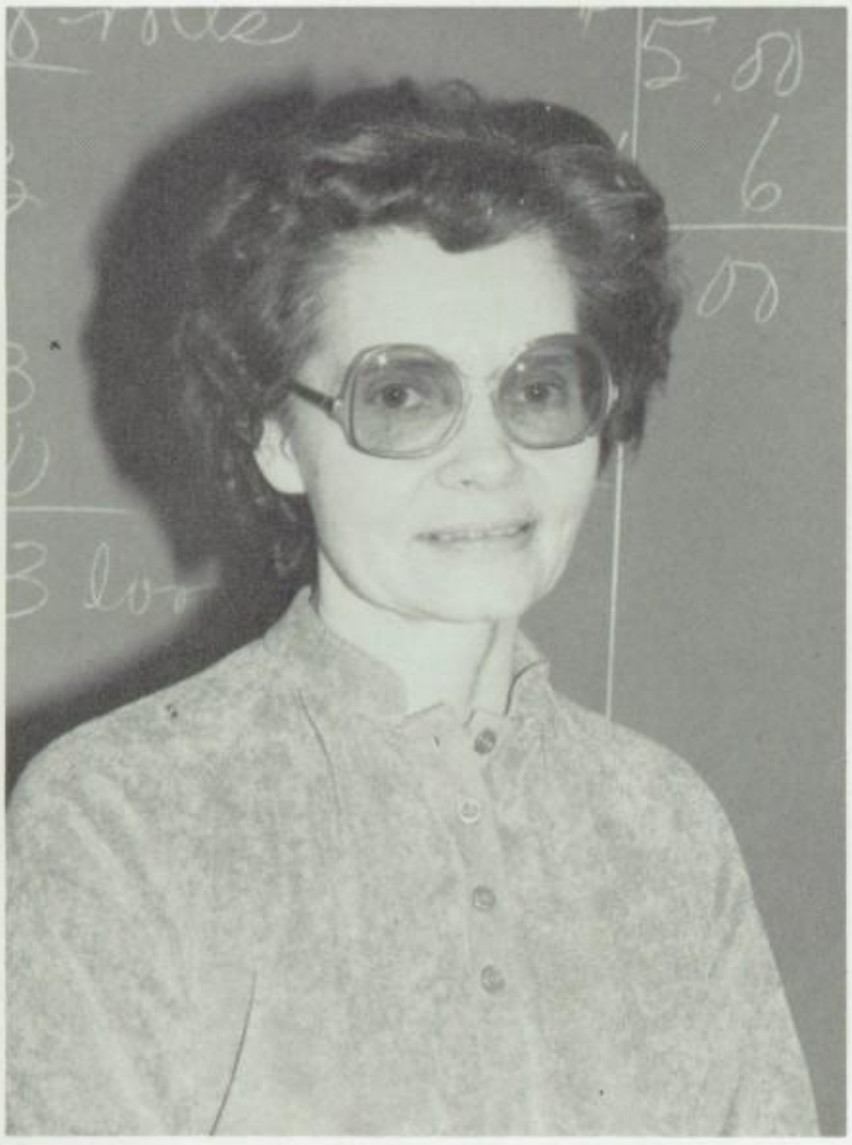
FOREIGN LANGUAGE

The main goal of the Foreign Language Department is to ensure that students can effectively communicate in foreign language. Although vocabulary, grammar, etc. are important; the stress is placed on writing, speaking, and understanding. The Foreign Language Department is made up of Mrs. Gladys Williams and Mrs. Virginia Bonwell.

DISTRIBUTIVE EDUCATION

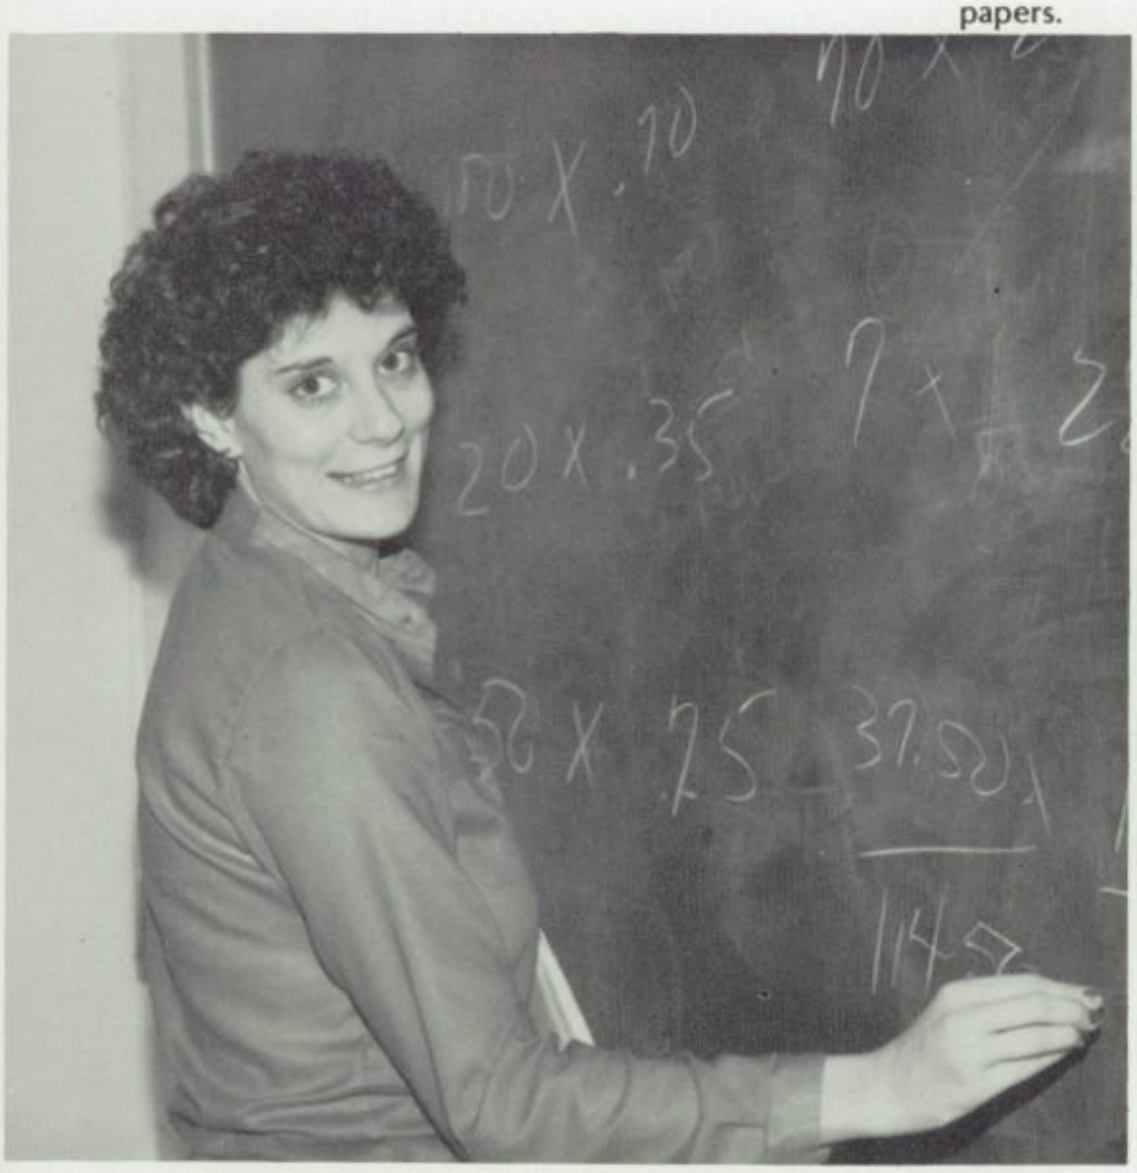
D.E. is aimed at students interested in Marketing and distribution. It helps students to understand their jobs and responsibilities that come along with it. Special privileges accompany D.E. II, III students such as early dismissal and job opportunities.

BUSINESS



Mrs. Mullinax prepares for a day's work.

Mrs. Lawrence is interrupted by a photograpber while grading papers.



Mrs. Giacometti goes over some business calculations.

The Business Education Department of Woodrow Wilson High School believes that the student should pursue a course of study which will develop abilities, skills, knowledge, and personality traits necessary for securing a job and progressing in a career in business; and that each student should be provided with opportunities for basic needs. The program of the department is flexible enough to meet the varying interests and abilities of the individual business student, yet rigid enough to provide a challenge and a measure of accomplishment towards which all business students may strive.

Methods of instruction are related to current ideas of learning processes by a willingness of our department teachers to keep abreast of new techniques and new theories.

The needs of the business student are met through clerical, typewriting, stenography and recordkeeping/accounting. Curriculum and course content are continuously reflected in the business department.

Skills and knowledge are more readily imparted through the use of the many audio-visual aids available in our department.

GUIDANCE/LIBRARY

Mrs. Jones gives us a smile.

Mrs. Breckenridge is ready to check out a few books.

Mrs. Gup guides the eighth graders.

The Library and Guidance Office is there to help you when you need it the most. The Guidance Office will help you with college, financial aid, or a schedule change. The Library can help you find a book or help you with a report, even when it is due the very next period.

Miss Krammer is always there to help a student.

HOME ECONOMICS

The over all goals of the Home Economics Department is to help individuals improve personal, family, and community living; to contribute to employability; and to develop leadership ability.

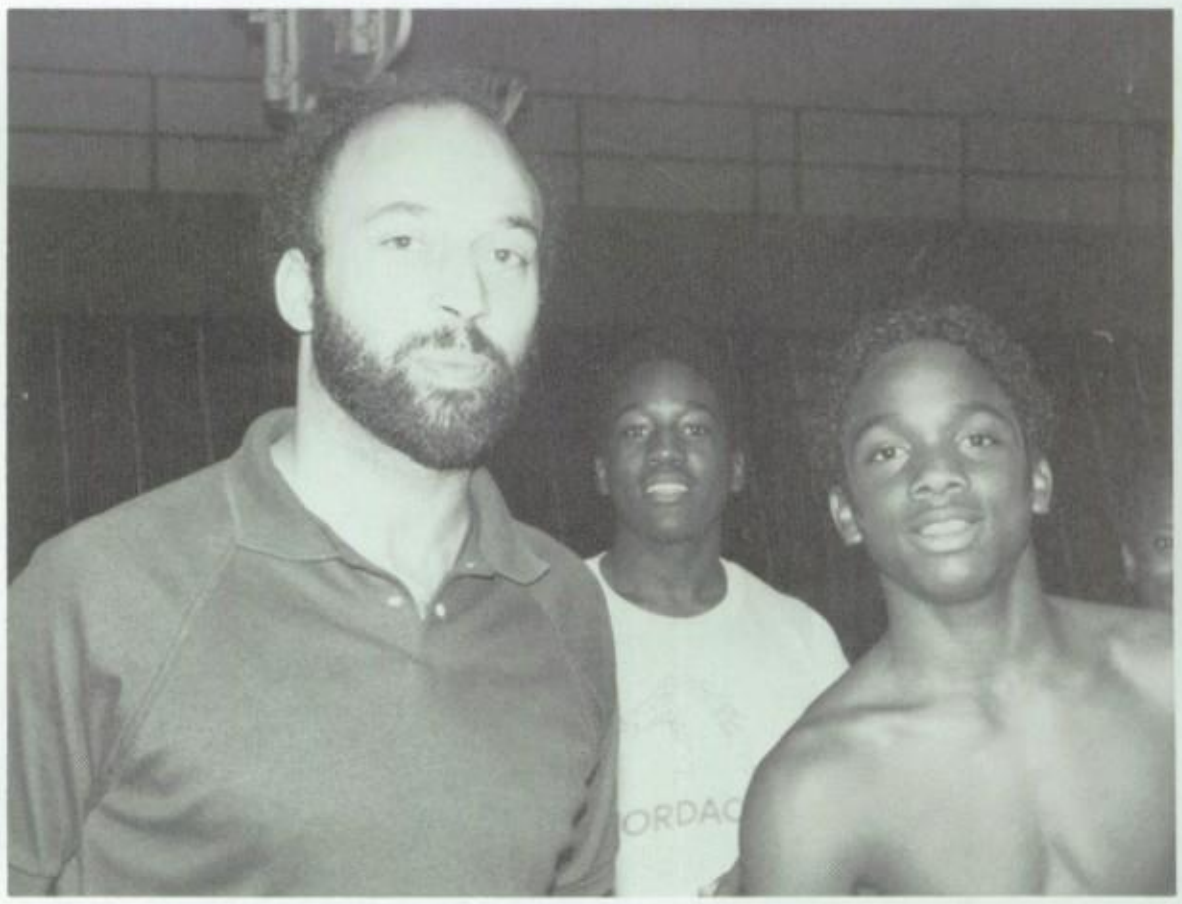
Left: Miss Rohrbach shows a student how to prepare dough. Bottom Left: Mrs. Allen listens to a student's comment. Below: Pausing for a moment, Mrs. Riddick collects her thoughts for her next class.

PHYSICAL EDUCATION

Coach Staples tells the class how they did on a test.

Coach Hopkins checks the roll.

The goal of the Physical Education Department is to improve sport skills and endurance. It also teaches health improvement for a healthy future for the students.



Coach Harvey and some students take time from basketball for a picture.

STAFF

Mrs. McNew gives information by phone.

Mrs. Henderson checks out a student's eyes.

Mrs. Bazemore thinks what should be on the menu next week.

Mr. Ferguson poses for a picture.

NATIONAL HONOR SOCIETY

This year, the National Honor Society has stuck to its motto of "service, scholarship, character, and leadership". The students involved have worked within the school, and within the community, to build a sense of pride in service and academic achievement.

While it is true that grades determine membership in the NHS, service to others is the primary objective.

As the torch of leadership is passed to new inductees in the years to come, this years NHS members are confident that the flame of knowledge, and service to others, shall not die out.

C.O.E.

Cooperative Office Education is that part of business education which represents the coordination of classroom study and on-the-job training, each complementing the other.

COE is a cooperative program in which the students have their schedules arranged so that they attend classes half of the school day and work in an office capacity during the remaining part of the day. The office instruction is considered as an extensive of the classroom instruction.

The student receives an additional credit for the work experience. The COE program is under direction of Mrs. Mary Underwood and Mrs. Shirley E. Ferebee.

THE STUDENT

Striving to produce an informative and entertaining newspaper, **The Student** staff has a record number of student reporters this year.

Led by editor Brandon Perkins, and associate editors Lisa Davenport and Fonzy Adam, the staff published six issues of **The Student.** Guidance from the sponsors Mrs. Ella P. Ward and Miss Marion T. Ransom helped the inexperienced staff to learn the ropes of professional journalism.

S.C.A.

Wilson's Student Council Association is composed of many hardworking, dedicated people. Its primary goal is that of helping others. Activities, such as collections for the Joy Fund, Salvation Army, Student Scholorship Fund, and the Sunshine Gifts, help them to achieve such a goal. The S.C.A. also promotes school spirit — organizes pep rallies, spirit day, button sales, and others. They also participate in the United Way Campaign, Blood Drive, and Foreign Exchange program.

Since our S.C.A. is responsible for exercising all of these activiites, each member and the sponsor, Jonquil Powell, should be commended for a job well done.

Marketing and Distributive Education provides classroom instruction and on-the-job training for careers in marketing and distribution. It includes the business activities of transporting, selling, buying, storing, advertising, financing, marketing research, management, and merchandising.

The Distributive Education Clubs of America known as DECA, is an organization of high school students enrolled in Distributive Education classes. DECA is a vital part of the total Marketing program. Opportunity is provided for participation in many club activities which will further the member's special interest and activities.

In DECA we have many activities planned throughout the year such as Employer Appreciation Banquet, Pizza Party Spring Trip, DECA picnic, and Career Fair.

VARSITY CHEERLEADERS

This year's Varsity Cheerleading squad consists of nine energetic young ladies, four seniors, five are juniors. The seniors on the squad include Cheryl Jefferson, Captain; Karen Henderson, Paula Pittman, and Kim Langreder. The juniors are Tammy Edwards, Shirley Anthony, Tonya Payne, Tabatha Smith, and Donna Wilkerson.

With all their pep and spirit, it's no wonder they are called the pride and joy of Woodrow Wilson High School.

J.V. CHEERLEADERS

Front: Becky Ferguson, Tracy Parnell. Back: Lisa Watson

Known to everyone as the vim, vigor, and vitality of Woodrow Wilson High School, the J.V. Cheerleaders had a super year. This year, we had three girls serve as captains at various times. Lisa Watson led the squad during football season. Becky Ferguson and Tracy Parnell led during wrestling and basketball.

The girls put in many hours between August and May to keep spirit "alive and well" at Wilson. Making posters and selling shakers were some of their duties, as well as constant practice to learn new cheers and mounts.

The purpose for all J.V. activities at Wilson is to train the student to eventually become a varsity member. Mr. Hickey, the sponsor, feels strongly that, this good J.V. squad this year, will become a great varsity squad in the years ahead.

A tie for second place ended the Presidents' football season. It started with an apparent 9-0 victory over Western Branch. Spirit dropped however, with the announcement that the victory had to be forfeited. The largest game of the season was against arch-rival Norcom. "The Southeastern District Superbowl," as the newspapers called it. Despite early scoring the prexies lost momentum and were beaten by Norcom 17 to 9. Injuries seemed a major issue this season. "Injuries hurt the season the most. We had too many second string players on the field," said Sherman Robinson who was out the entire season on injury reserve. Nonetheless, the team performed admirably despite the problems it faced. Some of the seniors performing for the last time were Bruce Sykes, Johnnie Ealey, Kevin Brown, Reginald Collins, Kevin Lewis, Avis Jordan, Rylent Jenkins Steve Ferguson and Eric Nesbit. To sum up the season Coach Moore put it this way, "This team should be commended for their character, sportsmanship, and skill that they displayed throughout the season.

Front: Steve Ferguson, Avis Jordan, Kevin Lewis, Eric Nesbit, Johnnie Ealey, Bruce Sykes, Anthony Riddick, Steve O'Neal, Wilber Elliott, Bobby Washington. Middle: Bobby Brown, William Nicholson, Bobby Montague, Harry Cole, Keith Richardson, Do Elliott, Reginald Cuffee, Barry Kirton, Rylent Jenkins and Kevin Deas. GLIMPSES

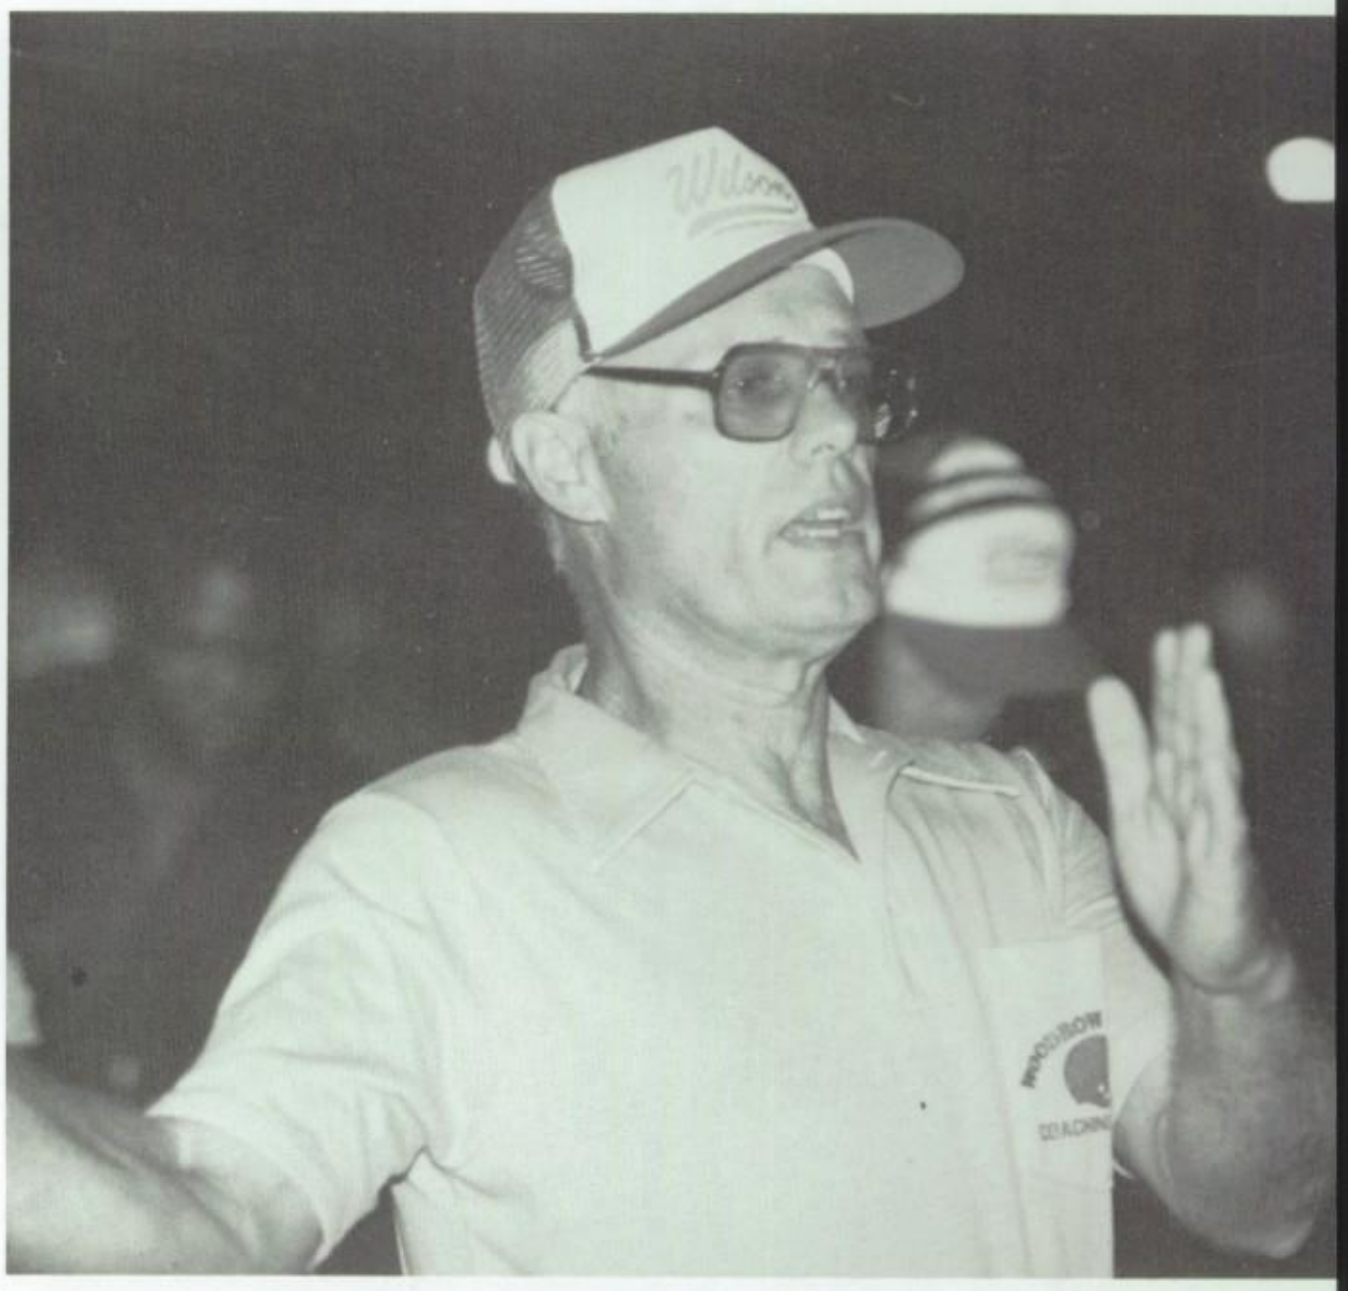
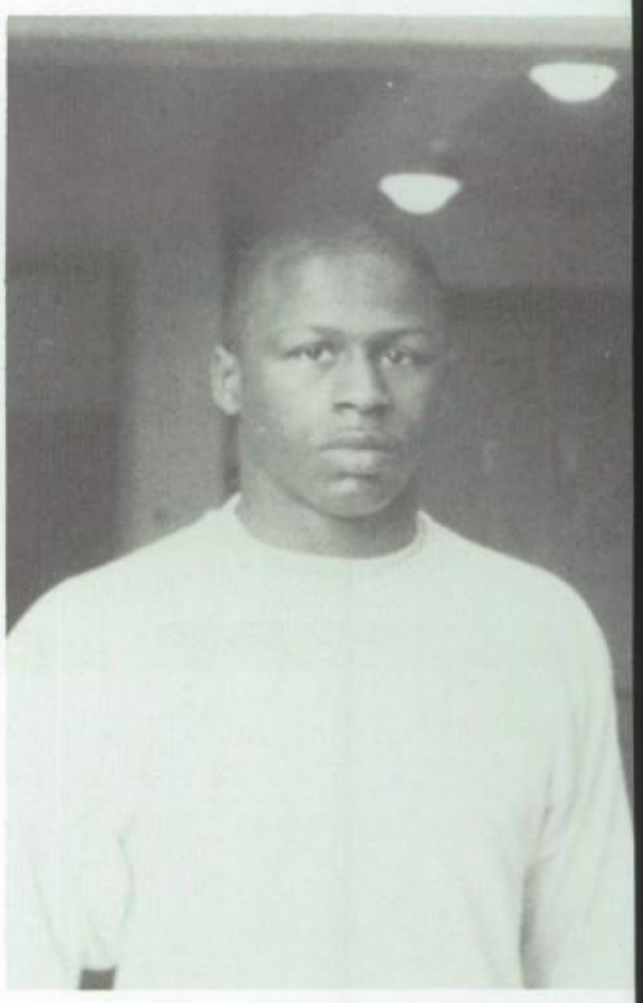
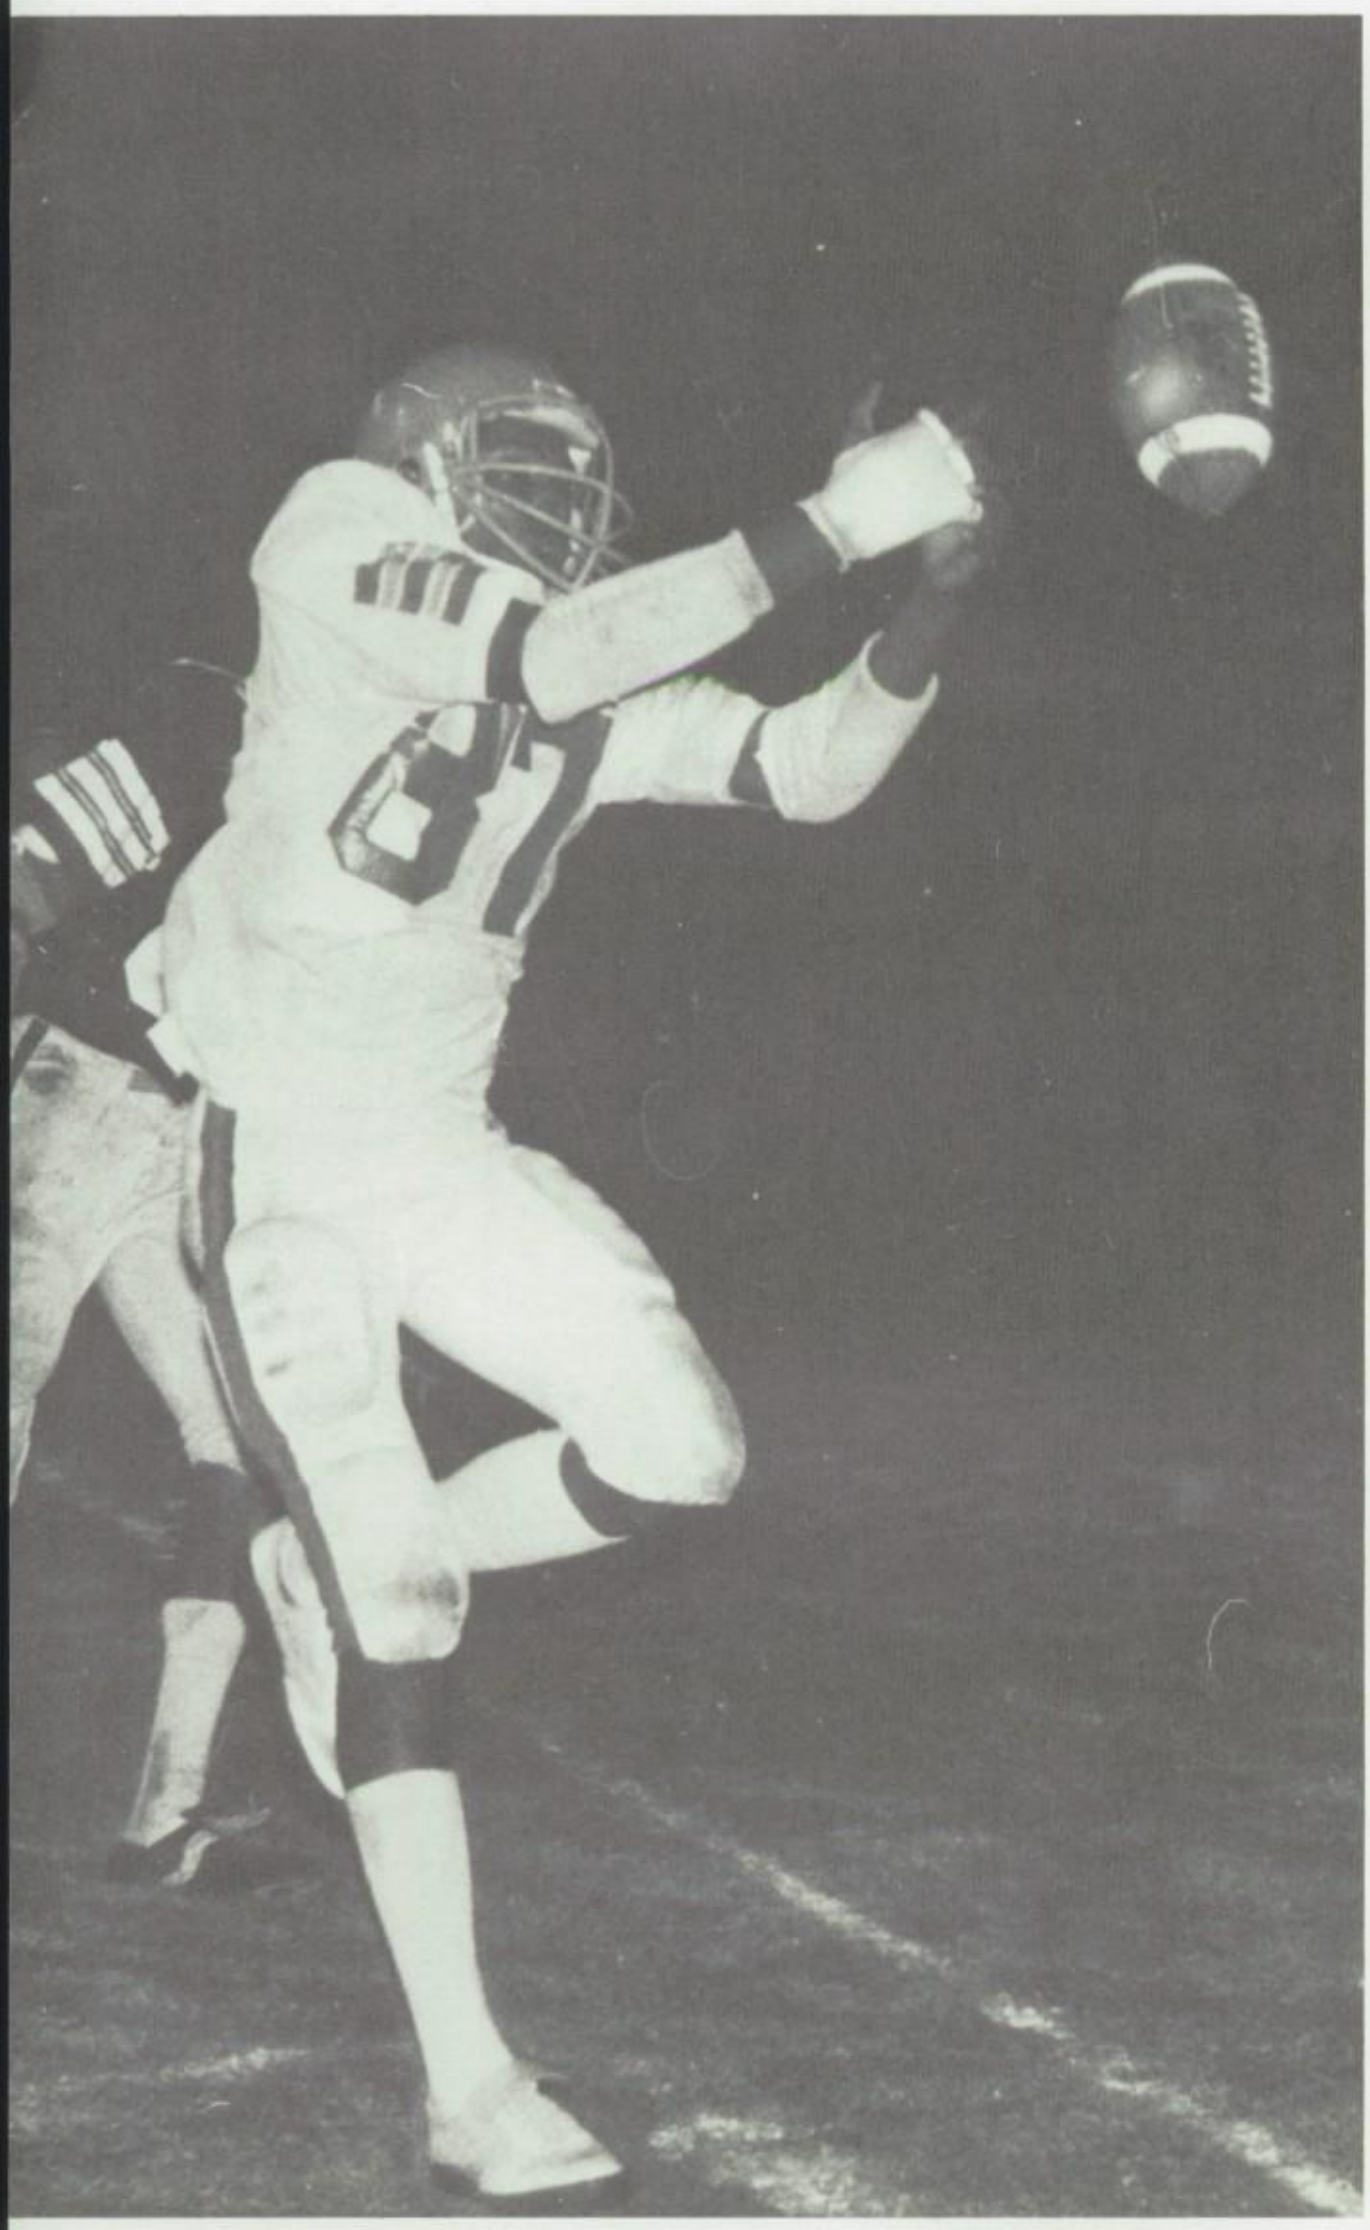
Johnnie Ealey contemplates the Homecoming Game.



Coach Sherrill directs traffic during "rush" hour.

"I felt we had a good team with a lot of talent. The only thing that held us back was injuries. I think if the talent had been spread out more rather than two or three people doing everything we could've gone further. But, in general, I wouldn't have traded this season for anything.
RYLENT JENKINS





"I think we had a very good squad which led to an overall good season. I think we could've done better though, the problem in the opening game was a let down and it took away from our performance. Next Year will hopefully go better for us," said Kevin Deas.

Keith Richardson commented that, "The two defeats were the downfall of the season. We lost momentum in the season. Attitude played a major role in making the season, as well as the number of injuries. But above all everybody pulled together to make our season better than it could've been.

Reginald Collins, said, "I think we fell behind because of the number of injuries this season. We had too many inexperienced players on the field. The worst thing that happened this season was the game against Cradock."

Coach McGinley's feelings about the J.V. Football season were mixed. "The win-lose record was poor, but the fact that future players were taught sound basic football will mean that these young men are moving in the right direction.

They must have been doing just that, this year's team had seven standouts. Frank Richardson, Willie Vann, and Clinton Gainey were the team captains. Mike Mabry was offensive tackle, Kevin Jennings was safety, Chris Gainey was linebacker, and Mike Fennell was full back.

I feel that our job as a coaching staff was, first to teach basics, and second, to win games, I feel that our goals have been accomplished.

PREXIES ON THE RUN

Eugene Hart, Joseph Loria, Micheal Lee, Frazell Riddick, Nathaniel Wright, Aaron St. Ann, Shelby Thorne, Clayton Ferrel, and Coach Staples.

Well into the city meet Nathaniel Wright shows the form that won him first place.

In the regular season the Cross Country Team lost to Manor and Norcom, but came back to beat by two points in the city meet when Nathaniel Wright crossed the finish line first.

This season's standouts were Eugene Hart, Michael Lee, And Aaron St. Ann who all received trophies in the city meet, the major standout this season was Nathaniel Wright who was first in the city meet, second in the district, tenth in the regional and advanced to state. When asked about her feelings about the season Coach Staples replied that she was very pleased.

J.V. BASKETBALL

The boy's JV Basketball team again showed their talent on the court. Several returning players made for a strong team.

Back Row: Anthony Riddick, Chris Rolack, Montague Williams, Hubbard, Steven Brown, Ricky Deberry, Mike Copeland. Front: James Green, Frank Richardson, Clinton Gainey, Keith Harris, Chris Cofield, Keith Coley, Kevin Jennings.

BOY'S VARSITY BASKETBALL

With five Senior starters in the lead the boy's basketball team was on its way. By mid-season the team was 8-1 in the district (9-3 overall). By mid-season they had averaged 73 points per game (holding opponents to 63 points).

GIRL'S BASKETBALL

"We had problems keeping people on the team. A factor that set us back somewhat," were the words used to describe the Girl's Basketball Season that ended with a record of 5-13 in the district and 7-14 overall.

Under new management this year the girl's team went through a lot. "I feel the spirit of the team needs to be lifted. After lossing several players it was difficult to keep up moral," said the new coach Frye.

Nevertheless there was one standout, Angela Wingate who was the teams high scorer and MVP for the Churchland Christmas Tournament.

"HIGH HOPES"

At the start of the season the outlook for the gymnastics team was good, but as the season progressed the hopes faded. Three returning district and regional qualifiers from the previous year were unable to compete in all meets reducing the team to a junior varsity squad for four eighth graders and a junior, Shelly Goldfarb.

For the first year since Wilson entered in competition, they did not have anyone qualified for regionals. Hopefully, the support and dedication of the eighth graders will positively affect the next years.

"ONE SEEMS TO BE OUR NUMBER"

"Great season" was the phrase used by Coach Staples to describe the accomplishments of the softball team this year. Even though the Lady Presidents lost the first two games, they pulled together to defeat their remaining opponents. Ending in a three way tie for first place with Great Bridge and Western Branch, the team had to defeat them in playoffs in order to go to the regionals. "One seems to be our number" said Coach Staples, "In the playoffs we beat Great Bridge and Western Branch by one run. In past years we won by one run to become the district champs."

"GRAND OLE- GAME"

Coach Ray McGinley seemed to have mixed feelings about the season. Starting with a 6-4 victory over Norcom, the next games the Presidents were knocked by a loss to Churchland, Cradock, but rallied to beat Green Run 13-11. Overall record for the season was 4-10. As Coach McGinley puts it "the season was a disappointment, however the fact that the majority of the team were underclassmen shows promise for next season."

The team was not without standouts, Mark Matthews made All Metro, Best Batting average 303. Phil Hedgepeth received the Golden Glove Award and Tony Derry made Most Valuable Player (Batted .250 Fielded .842). Bobby Bass was the final of three with a batting average over 200 with 202.

"HIT AND RUN"

"A young team", was Coach Thompson's first statement about the season. Many players showed great improvement as the season went on. The standouts for the season were Ernie White Most Valuable Player and Troy Rary who received the Golden Glove.

Bottom: Brian Tucker, Keith Coley, Nathaniel Wright, Keith Richardson, Ricky Argabright, David Gonzalas, Clayton Ferrell, Mike Lee, Curtis Rolack.

Because of the small number of members the main concentration was on individual events. Success was hampered by the midseason injury of Iola Faulks who was the team's only 800 meter runner and one of the 400 meter runners at the city meet. Regina Hawkins tied a record for the long jump with a distance of 16 feet five inches. She also took first in the high jump and third in the 100 meter run and second in the 100 meter hurdles. At the district meet Hawkins moved to the fore front again winning first place in the high jump and tying the hurdles record. At the regional meet she took second in the high jump and qualified for the state meet in all three events.

In the boys team Carlton Thomas was M.V.P. and outstanding male in winter and spring sports. Facts and statistics for the rest of the boys team not available.

SMACK!!

It was a disappointing season for the soccer team. They lost the first three games and won against Oscar Smith. The team finally started to play good soccer near the end. The outlook is good for next season said Coach Reel.

Outstanding player for the season was Brandon Perkins team captain and leading halfback.

Golf: "We had hope to do better," said Coach Hopkins of his team, "Maybe to have won three or four matches. This district is strong in golf with State Champion Manor." The team lost to Norcom in the regular season but came back to beat them in the district tourney.

This season's standout was Andrew Schmidt who qualified for regionals and Most Valuable Player.

Season's record was 2-7

The Tennis Team's second seeded Nathaniel Wright, Coach McEachern, and First seeded Mark Flanders not pictured are Curtis Edwards and Karen Henderson.

Tennis: This year saw one returning player for the tennis team Mark Flanders, who beat Oscar Smith and Cradock and in doubles teamed with Nathaniel Wright beat Oscar Smith, Cradock, and Great Bridge. This year also had a promising Freshman, Curtis Edwards who beat Oscar Smith, Cradock, and Churchland in singles matches. Also on the team was Karen Henderson who won one singles match against Norcom.
